Skateboarding Clinic - Summer School of Skate (Beginner & Intermediate)

The Gaithersburg Skate Park presents the School of Skate, taught by the City's very own private instructors! Through a combination of group and one-on-one instruction, our skate instructors create a positive environment that will help your child become a safer, better skater. Although the beginner and intermediate clinics cover different skills, instruction will occur simultaneously. Coaching will be provided for skaters of all different levels. Following a preliminary assessment by our instructors, participants will be assigned to a unit with fellow skaters of the same skill-set. The beginner instruction is designed for skateboarders who can maneuver on open flat surfaces. The intermediate instruction is intended for skaters who have some experience in a skate park. Students are then encouraged to progress at their own rate through a combination of group and one-on-one instruction.
